

Grace Garden 2009 Community Share Arrangement ("CSA") Guidelines

I understand that due to the vagaries of weather and other seasonal factors, neither Grace Community Church nor the leaders and volunteers who oversee the Grace Garden, can guarantee the Garden's success or the availability of produce for those it is intended to serve, and the dates and items listed to be grown are all variable and subject to change.

I understand and agree that the Grace Garden leaders and volunteers will make reasonable efforts to prevent these negative factors from damaging naturally grown local foods covered by these CSA Guidelines.

I understand that there will be no refunds.

I release Grace Community Church and its representatives from any and all liability for and waive any and all claims for injury, loss, or damage, including attorneys' fees, in any way connected with my participation in the CSA (a "Claim"), whether or not caused in whole or in part by the negligence or other misconduct of Grace Community Church or any of its representatives. I further agree to indemnify and to hold harmless (in other words, to reimburse and to be responsible for) Grace Community Church and its representatives from all claims and for any liability, injury, loss, damage, or expense, including attorneys' fees (including the cost of defending any Claim I might make, or that might be made on my behalf, that is released or waived by this instrument), in any way connected with or arising out of my participation in the CSA.

I understand that I will receive a "share" of the produce yielded from the Grace Garden and that the produce will be divided as equally as possible among applicable participants of the CSA. I also understand that the "share" amount will vary based on the garden's production and that there is no guarantee of any minimum share amount.

I understand that the planting list includes several varieties of the following: heirloom tomatoes, cucumbers, peppers, corn, beans, peas, carrots, cabbage, onions, eggplants, melons, watermelons, summer squash, among others. I also understand that the planting list is subject to change due to planting conditions.

I understand that funds generated by the CSA program will be donated to Shepherd Community's garden efforts after the Grace Garden current and future expenses have been covered.

I understand that the Grace Garden volunteers cannot hold my portion, and if my produce is not picked up at the pick-up location during the weekly, designated time period, I forfeit my portion for the week, and it will be distributed to an in-need family in our community.

I choose to make a difference in my local community by participating in the Grace Garden CSA. I understand these Guidelines set forth for the 2009 growing season, and where applicable, agree to be bound by the provisions set forth above.
